

## Working with you

Every bride wants to look and feel wonderful on their wedding day. They also want to approach the day feeling confident and calm, with the support of a team they can trust.

We have a small, dedicated, bridal hair and makeup team who have experience in arriving early, staying calm and being flexible so you don't need to worry about a thing.

We rehearse the look you have in mind at a trial before the day. We take time to experiment with the touches that will make you feel special. From individual eyelashes to achieving flawless skin, from to the glow on your cheek bones to perfecting a wide smile.

## Making your vision your reality

Our client testimonials say it all.

Please let us know what you have in mind well in advance, so we can prepare and deliver beyond your expectations.

Our service menu is below, but don't hesitate to ask if you require something different - if you need extended members of your bridal party styled or if you would feel at ease if your stylist stayed throughout the day.

**CALL US** and we can discuss your needs personally.

## Delighted brides

“ Lauren did hair and make up for me (as bride) and my bridesmaid. She was friendly and professional throughout the trial and on the day. The thing I really valued about her approach was that she took on board the feedback I gave during the trial for the day itself. Also, *nothing was too much trouble* in terms of altering minor details. As an example, I found the amount of mascara used in the trial was too much for me so on the day she built it up in really light layers so I could see it after every application until it was just the right amount for me! She also *offered plenty of ideas* for hair and make up for me and the bridesmaid - which was much appreciated! Thanks very much! ”

KATH PHILLIPS

“ Hannah’s time management and quality of service was impeccable. I would also like to thank Hannah for her *flexible attitude and openness* to hearing my preferences/likes/dislikes esp when it came to makeup which can be a very personal thing. The photos look great and it’s clear I was in the hands of a professional. ”

RETHI LEVISON

“ I would just like to thank you for everything that you did for me on my Wedding Day. From *calming me down*, the make up, my hair and of course buttoning up my wedding dress! You made me feel amazing and I can’t thank you enough. I will send you through a few pictures when I get them. Thank you once again, Claire. X ”

CLAIRE MARTIN

“ I was very impressed with the Return to Glory. There is so much stress involved in a wedding and I did worry that things would go wrong, but Lauren was a *dream come true*. She was calm and professional and I felt gorgeous and confident, it really was the happiest day! ”

MARGARET MCGEEHAN

“ Lauren did the hair and make-up for both me and my bridesmaid on my wedding day. Both the hairstyle and make-up were spot on and Lauren translated my description into reality perfectly. She was very *organised, quick and turned up perfectly on time*. All in all I felt I was in good hands and she helped the day go to plan. I would thoroughly recommend her for anyone’s wedding day. ”

SUZANNE KIRKHAM

“ I just wanted to say a huge thanks for my wedding hair and make-up. You were flexible, friendly and very efficient. I had so many compliments on the day, you did a *fabulous job*. And my flower girl Lucy was delighted with her hair! ”

JACQUI MCDONOUGH

“ Thank you so much making me *feel like a star*. I was relaxed, my bridesmaids loved listening to your hair and make up tips, and we were all grinning from ear to ear. The look stayed fabulous all day. ”
